

**Cacoon**

**(for Diana)**

**You were in my mind lots tonight  
and then this song played.  
it reminded me of you  
and me.  
maybe.**

**And so I'm sending it to you  
for some reason whatsoever.  
no expectation  
no regret  
hope maybe.**

**This life without you is OK.  
But it ain't right.**
